This Notice comes into force on the 15th August 2022 and will continue for up to 5 days. However, if the works to remedy the problem have not been completed during this time scale, it will be necessary to make a Temporary Closure Order. This legal Order could authorise the closure and restriction of the roads for up to eighteen months from the date of this Notice.

Please note: This closure was originally planned to be from the 8th August 2022, however works were delayed and so will now start on the 15th August 2022.

Alternative Route – as signed on site

Pedestrian access will be maintained. Emergency access will not be maintained due to scaffolding being erected in the carriageway.
